We have missed seeing you in our building!

Some things to keep in mind when you visit:

- Please delay your visit if any of the following is true:
 - ✓ you are experiencing symptoms of respiratory illness or a fever
 - ✓ you or a member of your household may have been exposed to COVID-19 and has been asked to quarantine
 - ✓ you have recently returned from a country or U.S. state under travel advisory listed on [CDC.gov](https://www.cdc.gov) or [coronavirus.health.ny.gov](https://www.coronavirus.health.ny.gov).
- Face coverings worn over the nose and mouth are required. (Children under the age of two are not required to wear a face covering.)
- Patrons should follow CDC Guidelines of social distancing by maintaining a distance of 6 feet from non-household members
- Visitors are welcome to come inside the building for up to 20 minutes to browse and checkout materials.
- Public computers may be reserved for 30 minute sessions. Please call ahead to make a reservation: 845 358-6081. Have your library card number available.
- As per New York State Forward and Centers for Disease Control guidelines, we will be limiting the number of visitors in the building. Please browse as quickly and efficiently as possible.
- Our appearance has changed slightly: the lower level is closed; toys and soft furniture are in storage; the children's computers are not available for use.

We appreciate your support as we navigate the safe reopening of our facility. During this time, all items will remain fine free, curbside delivery will continue, and our digital library remains open 24/7.
