

“A Trick of the Light”, is the seventh in a series by Louise Penny featuring Chief Inspector Gamache. The story begins with a solo show at the Musee d’Art Contemporain by artist, Clara Morrow. A private reception follows at the artist’s home in Three Pines. The next morning a woman’s body is discovered in the garden behind the house. It is up to Chief Inspector Gamache and Inspector Beauvoir to navigate through all the hidden secrets in order to solve the murder. Louise Penny is very talented in story and character development. It’s easy to see why it is such a popular series and I look forward to reading more of her work.
