April 15th is just around the corner!

Every year, the Library requests multiple paper copies of common federal and state income tax forms. In recent years, the government has severely cut back on the number of paper copies sent out. Therefore, we expect to receive a **very limited** number of tax forms from the IRS and the New York State Department of Taxation and Finance. Contact us anytime after February 5th to inquire about a specific form, (845) 358-6081.

The following links will help you find the forms you need so that you can print them from home or at the library.
